**Objective**

I am Luis Gornes, a name synonymous with dedication and unwavering passion for the dynamic and ever-evolving landscape of Information Technology, with a special focus on the enthralling realm of Web Development. My academic odyssey has guided me towards the pursuit of a Bachelor of Applied Science (BAS) Degree in Web Development, a journey I am proud to have embarked upon at Broward College North Campus. As I tread this path, I proudly maintain a commendable 3.2 GPA, a testament to my commitment to excellence. Within the nurturing academic milieu of Broward College, I find myself constantly fueled by an insatiable curiosity to expand my intellectual horizons and delve deeper into the intricate tapestry of the technology universe. My pursuit of knowledge is not confined to the four walls of the classroom; it extends far beyond academia into the realm of practical application. With a solid foundation built over 6 years of hands-on experience in the industry, I have honed my skills, a testament to my unwavering dedication. As I continue my educational journey, I am deeply engaged in ongoing coursework that enriches my knowledge and skill set. My enrollment in the BAS program is not just a credential but a declaration of my unquenchable thirst for knowledge and an unwavering commitment to staying abreast of the latest advancements in the ever-evolving tech landscape. In my role as a Campus Tutor, I am honored with the remarkable opportunity to share my proficiency and expertise with fellow students. My ability to facilitate understanding, impart knowledge, and guide my peers through complex concepts has earned me consistent praise. I approach the role of a tutor with a genuine zeal, striving tirelessly to create an environment where students feel empowered to conquer challenges and unlock their full potential. My proficiency extends beyond the realm of mere theoretical understanding; it is firmly rooted in practical experience, especially in the domain of computer programming. I possess a firm grasp of both foundational and advanced computer science skills, making me an invaluable resource for those seeking guidance in the computer lab at North Broward College. Ultimately, my overarching aspiration is to channel my comprehensive skill set and unwavering dedication into the role of a tutor. By leveraging my accumulated knowledge, practical experience, and innate ability to convey complex ideas, my aim is to foster a vibrant learning atmosphere where students not only comprehend but excel in the world of computer science. My journey is a perpetual pursuit of growth, and I am thrilled to embark on this shared path of learning and achievement at North Broward College.
